

US Specialty Insurance Solutions

What we can do for you

Welcome to AXA XL

We're not just an
insurance company.
We're your partner in risk.

We're driven to help your business adapt and thrive amidst change. Rather than just pay covered claims when things go wrong, we go beyond protection, into prevention.

From mid-sized to multinational clients, AXA XL is a leading player in Specialty insurance including: Aerospace; Alternative Risk Solutions; Crisis Management & Special Risks; Fine Art & Specie; Ocean Marine; and Political Risk, Credit & Bond.

Protecting what matters

Our commitment to climate and sustainability impact is reflected through our Specialty product offering:

- Our Commercial Bonds business supports renewable energy clients with their various bonding needs such as performance & payment, supply, advance payment, and license & compliance. To-date, we have issued over \$1 billion of Bonds supporting green business and projects for wind, solar, hydro and energy storage.
- Our Political Risk & Credit business is a top provider of both political risk and credit insurance solutions for its customers to support their renewables project finance business as well as other green, conservation, and sustainability-driven transactions across a variety of sectors. This includes agriculture, manufacturing, water/sanitation, and wildlife/marine conservation. To-date, we have supported over \$1.5 billion of these solutions.
- Our Structured Risk Solutions business provides innovative performance insurance solutions for breakthrough green technologies to help enable their financing and commercialization. To-date, our Performance Insurance policies have supported the development of over \$1 billion of new and renewable clean energy technologies and other socially impactful projects.
