- Strong governance, operational controls and compliance framework
- Diverse and scalable distribution capabilities
- Effective claims management and loss control resources

Target Programs

We are focused on specialized commercial insurance programs that address defined market needs and demonstrate sustainable underwriting performance. Priority is given to differentiated opportunities that complement AXA XL's existing capabilities and support strategic portfolio diversification.

- Clearly defined niche market focus
- Differentiated product, service, or distribution model
- Demonstrated profitability and growth potential
- Admitted or non-admitted paper
- Commercial insurance focus
- Flexible participation structures including lead, quota share, panel or subscription support
