

Jean-Marc Wassen, Chief Risk Officer, Reinsurance, AXA XL

Jean-Marc is Chief Risk Officer for Reinsurance, and based in Le Mans, France. He is an AXA XL partner and a member of the AXA XL Risk Management Leadership team, as well as the Reinsurance Leadership Team.

Formerly, Jean-Marc was the Global Head of Reinsurance Pricing and Analytics from mid-2006 to mid-2020. He originally joined the Reinsurance Division of Mutuelles du Mans Assurances, Le Mans, France in 1989 and held various actuarial and then P/C reinsurance underwriting positions for Germany, Switzerland, Austria and The Netherlands. In 1999, he participated in the creation of the Joint Venture between Mutuelles du Mans and XL that eventually became integrated into XL Re Europe.

Jean-Marc is a member of the French Actuarial Society and holds a post-master's degree in Applied Mathematics and Computer Science from the Institut de Mathematiques Appliquees in Angers, France. He is an alumni of the International Executive Program of INSEAD.
