Welcome to SiteForward

Overview
SiteForward, our next generation, secure client portal offers an enhanced suite of risk management tools and capabilities to keep your business moving forward:
- Web-based platform designed with modern, user-friendly interface to easily visualize your business operations and risk management program
- Access the ‘big picture’ view of your risk management program or dig into the site level details – all within a few clicks
- Leverage data and insights to optimize your loss prevention and business management decisions
- Available in English, French, German and Spanish to support your global business

Client Benefits
- Easily transform data into graphical reports, insights and actionable knowledge to support your critical risk management decisions
- Share information easily with Senior Management
  - Executive summary reports for top concerns and where to take action
  - Easily identify the biggest exposures across Nat Cat risks, fire, flooding and more
- Keep up with ever changing risks
  - 24/7 access to your data and information
  - Data updated in real time
- Mobile platform for on-the-go viewing and sharing

Data Analytics: Access insights
- Gain insights through multiple reports available
- Risk Quality Ratings (RQRs and GEARs) at the site level and benchmarking allows clients to:
  - Identify at a glance where to focus improvement efforts or investment
  - Assist corporate management in benchmarking divisions or locations globally
  - Drive behavior to increase loss control and lower a company’s total cost of insurance
- Risk recommendations at site level
  - View details of a specific recommendation, the expected cost benefit, and the implementation of those improvements by site management
  - Allows tracking and real time updates of recommendation status/activities
  - “What if” analysis through modeling tools
    - Helps calculate best strategy for risk reduction and improving Risk Quality Score
    - Can be based on estimated budget or target score improvements
The information contained herein is intended for informational purposes only. Insurance coverage in any particular case will depend upon the type of policy in effect, the terms, conditions and exclusions in any such policy, and the facts of each unique situation. No representation is made that any specific insurance coverage would apply in the circumstances outlined herein. Please refer to the individual policy forms for specific coverage details. AXA XL is a division of AXA Group providing products and services through four business groups: AXA XL Insurance, AXA XL Reinsurance, AXA XL Art & Lifestyle and AXA XL Risk Consulting. In the US, the AXA XL insurance companies are: AXA Insurance Company, Catlin Insurance Company, Greenwich Insurance Company, Indian Harbor Insurance Company, XL Insurance America, Inc., XL Specialty Insurance Company and T.H.E. Insurance Company. In Canada, insurance coverages are underwritten by XL Specialty Insurance Company - Canadian Branch and AXA Insurance Company - Canadian Branch. Coverages may also be underwritten by Lloyd’s Syndicate #2003. Coverages underwritten by Lloyd’s Syndicate #2003 are placed on behalf of the member of Syndicate #2003 by Catlin Canada Inc. Lloyd’s ratings are independent of AXA Group. Not all of the insurers do business in all jurisdictions nor is coverage available in all jurisdictions. Information accurate as of April 2019.
