Global / Art, Specie & Bloodstock

Aquaculture

AXA XL is a leading global specialty insurer and reinsurer. We provide creative risk management solutions and excellent financial security to clients worldwide.

Our Aquaculture team is an acknowledged market leader. Our underwriters have been heavily involved in the development of market wordings and bespoke coverage solutions in this niche area. We offer a flexible product that reflects the rapid growth of fish farming globally and a risk profile that is constantly evolving due to climate change, farming of new species, and technological development.
