XL Catlin offer
Protect & Assist – insurance with a heart

As part of your employer’s Protect & Assist business travel insurance policy with AXA XL, we offer a variety of response and assistance services. These services are provided by approved third party response and assistance specialists who will be ready to protect and assist with everything from simply providing some practical pre travel help or advice, to an overseas medical or security crisis.

Our experts also offer 24 hour support to risk manage an incident affecting you while you are in your country of domicile, as well as when you are abroad. This document provides an outline of the services they offer and how they can be accessed.
