Crisis response services
S-RM provides AXA XL clients with an unrivalled combination of corporate intelligence, crisis management and cyber security support that’s designed to both reduce risk and manage incidents, offering full corporate resilience.

The depth of their expertise is built on the diverse experience and background of their crisis management consultants – including within the FBI and CIA, and from international armed forces, police forces, hostage crisis negotiation units and global risk consulting companies. Over the last two decades, S-RM consultants have handled over 1,000 kidnap, extortion and crisis cases, including terrorist kidnappings and cyber response.

With consultants strategically located across the globe, S-RM can respond quickly whenever and wherever an incident happens. The six main hubs in London, Cape Town, Rio de Janeiro, New York, Washington DC and Hong Kong are supported by a further 12 regional offices. Collectively, S-RM consultants speak over 30 languages, and already support clients in over 140 countries. The S-RM crisis management response protocols are unique.
