Livestock

AXA XL is a leader in the London market for livestock insurance.

We protect a diverse range of clients, including food producers and aquatics enthusiasts, from risks such as mortality, disease, theft, transportation incidents, and natural disasters. We offer cover worldwide and work closely with our clients and brokers to develop innovative solutions that cater to their specific local requirements.

Animals

We cover:

- Cattle, poultry and pigs
- Deer, llamas and alpacas
- High value exotics and aquatics
- Embryos and semen

XL Insurance

Coverage:

Mortality cover up to

- USD 2 million per animal
- USD 25 million per farm

Risks covered include:

- Disease, including government and economic slaughter, and prohibition of export
- Accidental injury
- Theft
- Specified perils such as fire, lightning and windstorm
- Transit by air, sea or rail
- Loss of foetus in cattle
- Mastitis in cattle

Livestock target market

- Livestock producers
- Specialist animal breeders
- Zoos and aquariums

Benefits

- We specialise in minimising the financial impact of disease outbreaks, such as foot and mouth and avian flu. For example, we can cover you for the difference between market value and government compensation.
- We can accept business from anywhere in the world through our network of international offices, coverholders and fronting/network partners.

Why choose us?

- We have the largest portfolio of livestock insurance in the London market.
- Our financial strength and capacity give us the flexibility to tailor cover to suit client needs.
- We're part of the No.1 P&C commercial lines insurance platform*
- We have a strong experienced team of Underwriters with essential product knowledge to assist policy production for the client.

Our Claims promise

When you buy an insurance policy, you're buying a promise. Our promise is to deliver an exceptional claims experience. With AXA XL's global footprint, culture of service and unparalleled expertise, we'll be there for you – wherever and whenever you need us.

Geographic focus

We offer cover worldwide.

Sustainability at AXA XL

We are deeply committed to initiating conversations with our clients about sustainability and ESG (Environmental, Social, and Governance). If this resonates with your clients, we are eager to delve deeper into this topic.
