UK Terrorism Protection of Premises + (TPP+)

Key points

Tailored to support – our insurance offering is designed to help our clients prepare and adhere to the Terrorism (Protection of Premises) Bill.

Our solution empowers clients to proactively protect their staff, customers and the public, offering a comprehensive approach to risk management in the face of evolving threats.

Designed specifically for UK domiciled risks, our product is positioned to provide essential coverage and support in a dynamic and challenging environment.

How UK TPP+ is different:

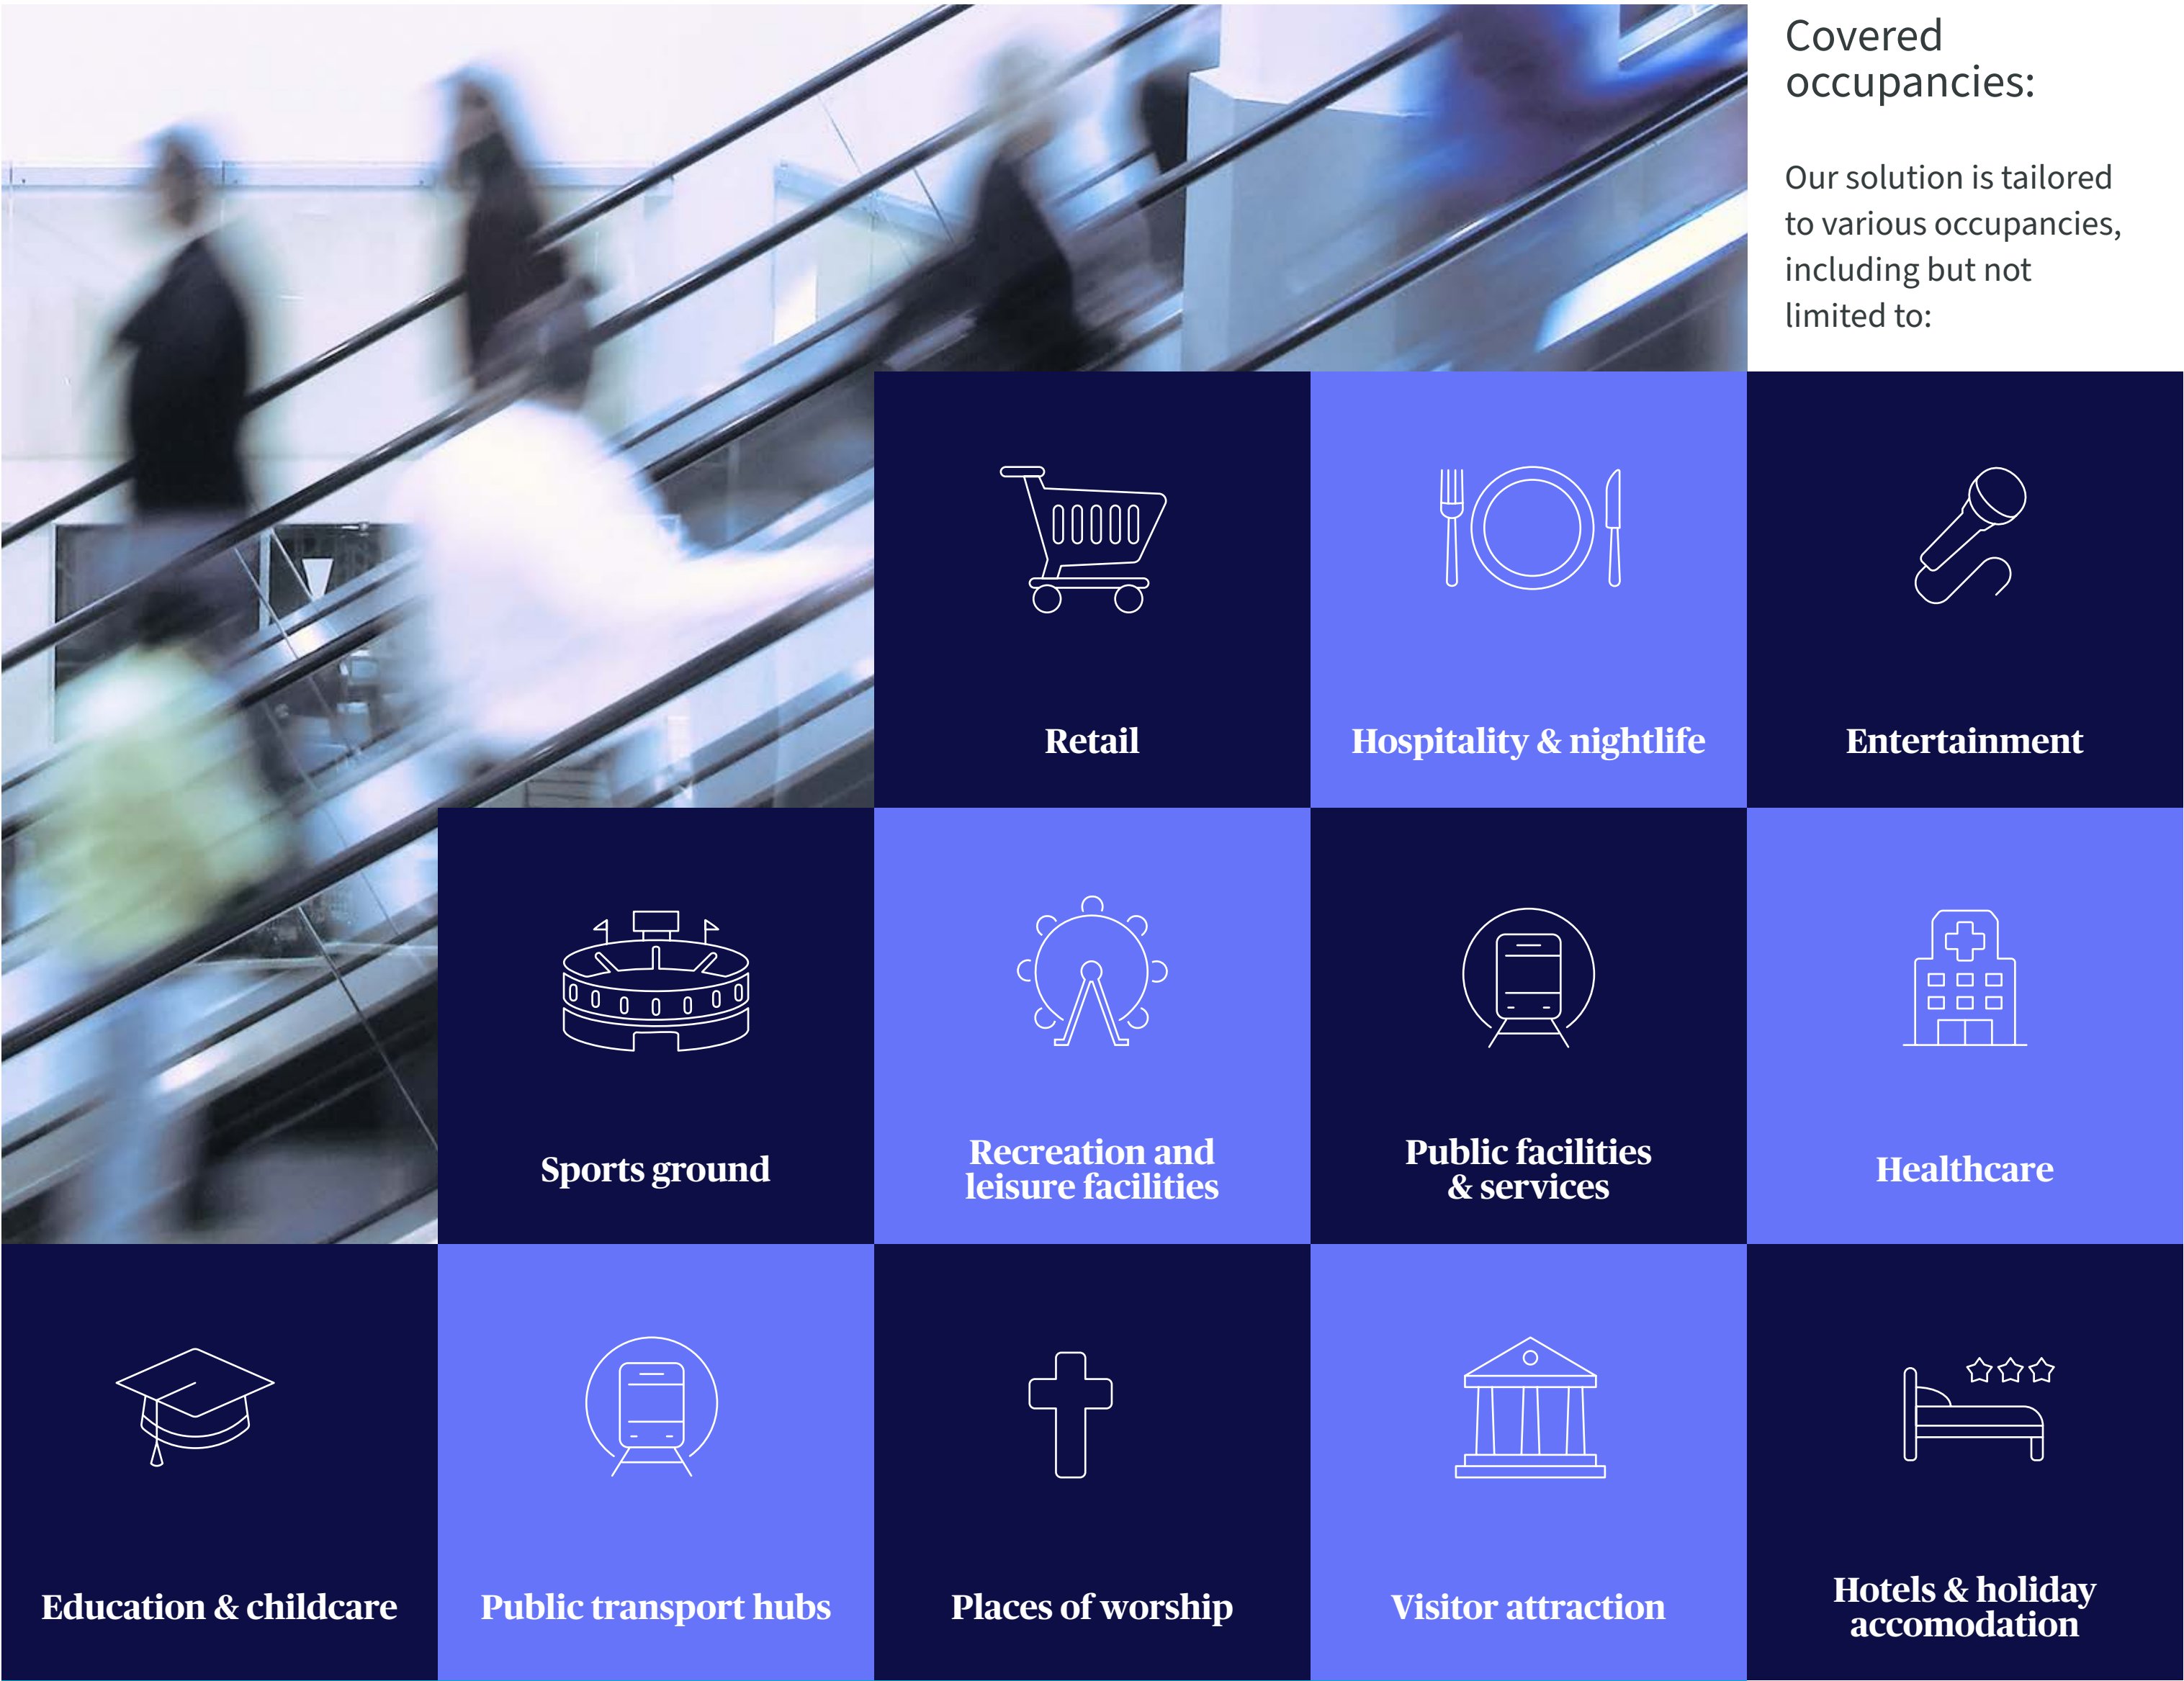

- Our tailored UK Terrorism Protection of Premises Plus wording fills a crucial gap in the market, providing specialised coverage for a range of occupancies.
- Unlike standard liability policies, our offering includes additional services that extend beyond financial indemnity limits, setting a new standard for comprehensive protection.
- Leveraging the expertise of our exclusive risk consultants, S-RM and MBL, we provide unique pre, during, and post-event support, ensuring our clients are fully prepared for any eventuality.
- The insured will receive a separate limit for S-RM and MBL services

The importance of our solution:

- Our policy goes beyond financial impact, providing essential support and guidance to help clients navigate through a changing environment with a strong emphasis on prevention.
- With a focus on mental anguish cover and long-term support, we offer a holistic approach to recovery for employees and the public, setting a new benchmark in terrorism policy coverage.
